FOR IMMEDIATE RELEASE – Emergency Water Main Repair

Date: April 2, 2026

Housatonic Water Works Company will be conducting an emergency water main repair on South Street beginning at **8:00 AM on Thursday, April 2, 2026**.

During the repair, customers located on or near South, Cottage, Highland, Forest Street, and Beacon Hill may experience temporary low water pressure.

Other customers throughout town may also experience short-term changes in water pressure while the repair work is being completed.

Housatonic Water Works Company will restore normal service conditions as quickly as possible following completion of the work.
